

Rock of Wisdom School, Melfort, Zimbabwe

The number of children in school has doubled, so more desks are needed. 21 students here would love to have a desk.

The cost of buying a new desk is £14.50. Last week a Partner bought 15 new desks. Thank you for helping.

The Assembly room doubles up as a classroom.

The older students working diligently.

We have a few bunkbeds but need many more for children who are boarding. God knows our needs.

Children who were once without a family, now have a secure place to live with a new Christian family at Rock of Wisdom School.

We thank God for all His Goodness in providing all these needs for His children.
