Happy 1st Birthday!!

Rock of Wisdom School, Melfort, Zimbabwe

9th September marks one year since the school opened.

Below are some photos to show the progress we have made over the year.

This is all THANKS to everyone who has partnered with us.

Above: Early 2025 just before the school opened. There was excitement at having running water, a first for all the children.

Above: The old 'Kitchen'

All the students received their uniforms

No dining room at the moment – maybe next year!

At the moment, new classrooms are being built as numbers of students have increased from 75 last year to 153 at present. 25 of the children are full-time boarders. There are now 7 full-time Teachers, who also live on site. More accommodation is needed for them.

Would you like to give a gift from as little as £2? Partners have donated monthly, some only once and some have donated clothes to be sold on Vinted which has made £1,300 in a year. See our website for details of how to give.

THANK YOU PARTNERS FOR ENABLING ALL THIS!
