

Rock of Wisdom School, Melfort, Zimbabwe

Celebrating with one of our Partners – Well Done Cherie!

Many Congratulations and much thanks to Cherie, one of our partners from the North-East of England, who ran the Great North Run on 13th September to raise money for the school!

Thank you to all those who sponsored Cherie, which achieved the amazing sum of £470! This will be a major blessing to the development of the school.

THANK YOU CHERIE!

These tables and chairs have been purchased for the new classroom block and will be delivered soon.

THANKS also to Pastors Andrew and Selina Brown who sent a very generous gift of £500 from their Keystone Church, Walsall, which was used to roof and paint the new building housing 3 new classrooms.

Not only have the number of children increased; the pig family has recently had an addition of 25 piglets!

The farming project is part of the sustainability programme, which aims to enable the school to become more self-sufficient.

THANK YOU PARTNERS FOR ENABLING ALL THIS!
